Metropolitan Psychological Services, PLLC is a private-pay psychological practice with metro accessible office locations in Arlington and Tyson's Corner, VA. Our Arlington location serves individuals 18+, couples, and teens. MPS Tyson's provides psychotherapy services to children ages 5+, teens, adults, couples, and families. Both locations offer psychological testing services to individuals 8 years old and up through adulthood. We are an LGBTQ+ affirming and inclusive practice who values diversity. If you enjoy autonomy, flexibility, collaboration and becoming a long-term member of a high-quality and engaging community, we want to hear from you!

#### **We are accepting applications for:**

- Outreach opportunities
- Administrative support
- Referrals, advertising/marketing, and office space/supplies
- Modern and comfortably furnished office space in prime metro accessible locations

**Application Instructions:**

Interested parties should send a letter of interest highlighting your short and long-term career goals, your theoretical orientation, and why you are drawn to our practice. Send an updated CV and 3 professional references (for post-doc candidates 3 written letters of reference are required) to the practice founder and Clinical Director, Dr. Dana Lipsky: [drlipsky@mpspllc.com](mailto:drlipsky@mpspllc.com).

For Testing Psychologist candidates: Send a de-identified comprehensive report and be sure to notate the number of test batteries administered per placement, along with primary assessment measures used. We look forward to hearing from you!
