

A VIRGINIA PRACTICE MANUAL  
FOR PSYCHOLOGISTS :

“Applying Virginia’s Legal Standards  
In Your Own Practice:  
Current Regulations and Their Implications”  
(2012 Edition)  
Mary Alice Fisher, Ph.D.

Incorporating the 2010 Amendments to the APA Ethics Code  
and  
Containing Legal Material including Selected Board of Psychology  
Regulations, with Discussion of Selected Virginia Statutes  
and Summary of HIPAA-required employee training  
Chapters are organized around current Board of Psychology Practice Standards  
related to Informed Consent, Record Keeping, Confidentiality, Continuity of Care,  
Dual Relationships, Conflicts of Interest, and Reporting Requirements,  
with discussion of their ethical and legal implications for Virginia Psychologists

Made available by  
Virginia Academy of Clinical Psychologists (VACP)  
Committee on the Future of Professional Psychology  
through a grant to Mary Alice Fisher, Ph.D.

This manual is offered as a member benefit for VACP members:
